

GROUP BIOGRAPHY

Breath of Soul is a Contemporary/Christian a cappella group that originated in 2006 at Millikin University in Decatur, Illinois. Before their relocation from the Midwest to Nashville, TN, Breath of Soul was formerly titled 5one - so named for the familiar music cadence, V-I. In a review written in 2008, Singers.com praises the group for their "cutting-edge arrangements, tight vocal percussion and spirited harmonies. "Three of the five founding members of 5one still perform with the group today.

The group has been seen in performance both at home and abroad. Their first milestone came in 2006 when they were hired to perform on the Dock Street Stage throughout the summer for countless audiences at Chicago's Navy Pier. Since then, they've gone on to participate in various competitions such as ICCA (International Competition of Collegiate A Cappella) and Harmony Sweepstakes, which in 2008 they took 1st place in the Chicago regional competition which advanced them to the international finals in San Rafael, CA.

Additionally In 2008, they were featured performers alongside the Millikin University Choir during their tour throughout China & Taiwan. In addition to performing, Breath of Soul strives to inspire and educate young musicians through their performance workshop program. Here, students from all walks of life have the chance to open their mind to the exciting world of a cappella music. They are able to ask questions and think creatively while broadening their knowledge and love of music.

A personal note from Breath of Soul: Because of loved ones we are allowed the opportunity to pursue our passion. Without the support of our friends and families, we would not be where we are today. Their constant love and faith has shown us how to maximize life's gifts. Additionally, nothing is possible without God. The Lord works in such great and mysterious ways and we are so grateful to be part of His plan!
